FOURTH Division leaders Peterborough United are skipped by former Hillingdon Borough striker John Cozens who is the club's top goalscorer this term with 14.

Cozens cost United £8,000 from Notts County in November last year. Took over the captaincy at the start of the season. Here's a run down on the Peterborough squad.

MICK DREWERY (goalkeeper)

— Graduated through the club's youth policy, in his first season as senior goalkeeper, having taken over the role from Welsh international Tony Millington on his transfer to Swansea.

KEITH BRADLEY (right-back)

— Experienced defender signed from Second Division Aston Villa for £4,000 last December after spending a month on loan.

JEFF LEE (left-back)

— A fierce competitor, signed in the close season for a £6,000 fee from Halifax. Previously with Huddersfield as a junior.

PAUL WALKER (centre-back)

— A shrewd free transfer signing from First Division Wolves in the summer. Played a handful of Division 1 games at Molineux. Had spells on loan to Swindon and Watford before joining Peterborough.

CHRIS TURNER (centre-back)

— Promising young centre half who, like Drewery, came through the junior ranks. Born at nearby St. Neots, he has made over 100 league appearances since ex-skipper John Wile joined West Bromwich in 1970.

MIDFIELD

MICK JONES (left-half)

— Signed as a destructive midfield player in the summer, but successfully converted to defensive role. Cost club £8,000 from Notts County. Previously with Derby.

BERT MURRAY (midfield)

— Experienced utility player joined Peterborough from Brighton for £6,000 two months ago, after a month on loan. Capped at England

Under 23 level, he had spells in the First Division with Chelsea and Birmingham.

FREDDIE HILL (midfield)

— The most experienced member of the team, having played twice for England in 1963. Signed from Manchester City for £5,000 in the close season after serving Halifax and his home town club Bolton.

FORWARDS

JIM HALL (striker)

— The club's longest serving player, joining the club from neighbours Northampton in 1967. Recently celebrated his 250th league appearance for the club and has netted over 100 goals.

TOMMY ROBSON (striker)

— Most expensive player at £20,000. Joined the club from Newcastle in 1968 after playing for Northampton and Chelsea.

JACK CARMICHAEL (defender)

— Deposed skipper. Signed from Arsenal in February 1971, for £4,000 and was a regular in the team until this season when Jones was recruited.

DAVID LLEWELYN (striker)

— Represented Wales at Under 23 level and made a handful of appearances for previous club West Ham from whom he signed on a free transfer in the summer. Two games for the league side this season.

DAVID GREGORY (striker)

— Another local product, leaving his job as a mechanic to turn professional this season after playing for the reserves as an amateur. Played one full game for the senior side.

KEITH OAKES (defender)

— Made his debut last season when 16. Signed professional in the summer and has not played in the league side since the first game of the season.
